

Water Tag Maze

***Attendants Recommended: 2 One in Front / One in Rear
(Adult Supervision Only 18 +!)***

General Rules To Follow During Use Of Unit:

Open Play: Free for all. Soak any and all players in the arena.

Team Play: Yellow Team vs. Green Team (team colors are defined by Soaker Gun colors) teams are timed (time is determined by the size of party), and winning team is determined by how soaked the other team is. There are 3 refill stations placed throughout the maze. Users will submerge guns with hand for 7 seconds until bubbles stop (gun is then filled). Absolutely no dunking, knocking over or playing in the fill stations. No EXCEPTIONS!

- 1. All Persons MUST remove shoes before playing in Unit.*
- 2. Participant safety depends on you. No more than 10 players total (two teams of 5).*
- 3. Absolutely no silly string, gum, candy, food, or other foreign substances are allowed on or in the Maze. No sharp Objects are allowed in the arena. Absolutely no rough play, tackling other players, throwing guns, goggles or objects. No hanging, jumping or rough play on or around the maze walls. If the maze walls fall over simply pick them up from off their side.*
- 4. One attendant should monitor the front of the maze; allow 2 teams of 5 players to enter the arena. Players are given goggles and soaker guns. Participants must wear goggles at all times! There are 2 recommended formats of game play.*

Problems: Should your jump begin to deflate:

- 1. The motor (Blower) has stopped. Check cord to connection at outlet and on motor itself. Check circuit breakers. Remember, to use only One 50 ft extension cord per outlet. Stronger outlets are located in the Kitchen, Laundry rooms and garages.*
- 2. Motor still running. Check air intake on side of the Blower for blockage, check both tubes connecting to the blowers on the unit, if they are loose retie if necessary.*
- 3. In the event of Deflation, calmly evacuate the unit and identify the problem. If further assistance is needed please contact our office.*
- 4. A cleaning fee of no less than \$100.00 will be charged to client if the unit is not returned in the same condition as in which it was dropped off/setup. Client will be responsible and charged for any damage incurred due to rough play or misuse of unit.*

I the undersigned have read and agree to the safety requirements as show above.
